

6.b. OPTOMETRIC SERVICES

Limitations:

1. Routine refractive services and optical devices are available annually, without prior approval to individuals eligible for EPSDT.
2. Medical diagnostic services which aid in the evaluation and/or diagnosis of ocular diseases are covered regardless of the recipient's age. Practitioners must have the training and license required by State law.
3. Routine refractive services or optical devices provided in a nursing home must be specifically requested by a recipient's attending physician.
4. Optical devices, with the exception of contact lenses, devices for retinitis pigmentosa and customized prosthetic eyes are provided through contract with a single source supplier.
5. Post-cataract surgery follow-up care provided by an optometrist is covered if the recipient is referred in writing by the surgeon. The optometrist will not be reimbursed for follow-up care until the referring surgeon's fees has been paid.
6. Covered optometric services will include any medical or remedial care or services, other than physicians' services, provided by licensed practitioners within the scope of their practice as defined under State law.

Prior Approval is required for the following:

1. Eyeglasses with both lenses of less than  $\pm 1.00$  diopter, in any meridian.
2. Lenses with less than a  $\pm 1.25$  "Add."
3. Contact lenses, regardless of diopter.
4. Replacing or dispensing optical devices within the same calendar year.
5. Refractive examination within the same calendar year that the recipient last had a refractive exam.
6. Customized prosthesis (stock eyes are covered without prior approval).
